Return to the grassy knoll

The assassination of President John Kennedy remains one of the most compelling mysteries of this century. With the 25th anniversary of the murder next month, a flurry of special reports will air. Jack Anderson will join the fray with the first TV interview with the widow of Lee Harvey Oswald, JFK's alleged assassin. Marina Oswald Porter will appear on Jack Anderson's "The Amercian Expose: Who Murdered JFK?" on Nov. 2 at 8 p.m on WWOR/Ch. 9. *J.B.*
